OIL GAS & MINING

Dear Mr. Gallegos:

I have had more difficulty resolving the acreage discrepancies in our permit than I expected. However, I have located some duplications and some errors and have corrected them.

I have corrected pages 4, 4a, 4b, 9, 10e, 10f, and 10g and have enclosed copies for you. Please insert them into your copy of the Form MR-LMO.

The total shown on page four of 107.2 acres is accurate and the acreages used in the bonding calculations on pages 10e, 10f, and 10g also total 107.2 acres.

The bonding estimate dropped by \$3,240.00 because of seeding for fewer acres. The total of my estimate is \$254,365 without contingency or mobilization/demobilization allowances.

If you need further information please contact me at 789-1921 in Bonanza.

Sincerely,

*T. M. Tilley*
